The Association retains the right to pursue the difference to Arbitration.

3.01 (d) Members working a schedule other than a five (5) Reliefs of eight (8) hours work schedule will receive prorated benefits and entitlements equivalent to, but not greater than, Members working a **five** (5) Reliefs of eight (8) hours work schedule.

It is understood that the provision of work schedules, other than a **five** (5) Reliefs of eight (8) hours work schedule, is on the basis of "no loss, no gain" to the parties.

3.02 (a) The Shifts of all Members shall be changed in rotation no later than every third Sunday, except Members required to work a regular day Relief, or unless otherwise mutually agreed.

3.05 (b) Subject to the needs of the Calgary Police Service, Duty Rosters will be posted at least eight (8) weeks in advance of being worked.

3.07 (b) A Member shall be covered by the scope of this Agreement if in the judgement of the Chief of Police said Member was required to act in the lawful execution of his sworn duties as a Police Officer during his off-duty hours.

3.07 (c) If a Member suffers property damage or loss and if in the sole judgement of the Chief of Police such damage is a result of the Member's employment as a Police Officer, he shall receive reasonable compensation for such damage or loss.

GRIEVANCE PROCEDURE

4.01 Either party to this Agreement may lodge a grievance with the other party on a difference, which arises between the parties, bound by this Collective Agreement, as to the interpretation, application or operation or any alleged violation of this Agreement. A copy of all grievances shall be forwarded to corporate Labour Relations, Human Resources.

NOTE: For purposes of this section, working days shall be consecutive days exclusive of Saturdays, Sundays or statutory holidays recognized by The City.

Policy Grievance: When a dispute involving a question of general application or interpretation of this Agreement occurs, STEP 1 of the Grievance Procedure shall be bypassed and the Association shall present such a policy grievance, in writing at STEP 2 to the Inspector, Human Resources Operations Section. All subsequent steps are applicable.

STEP 1 The individual Member or group of Members or the Association shall present the grievance orally or in writing to the immediate supervisor. If a satisfactory settlement is not reached within five (5) working days the grievance may proceed as follows:

STEP 2 Within ten (10) working days the aggrieved Member, or group of Members, or the Association may present the grievance in writing to the appropriate Inspector in charge of the Member(s)'s work section. The Inspector shall render his decision in writing within ten (10) working days. If a satisfactory settlement is not reached, STEP 3 may be taken.

STEP 3 If a satisfactory settlement has not been reached, the Association shall have the right to be heard by the Chief of Police or designated Deputy Chief. In making application for a hearing the Association shall deliver to the Chief of Police or designated Deputy Chief within fifteen (15) working days of the date the Inspector rendered his decision, a statement which shall include an outline in writing of the grievance. The hearing shall be held within fifteen (15) working days of the date the application is received. The Chief of Police or designated Deputy Chief shall, within fifteen (15) working days following the end of such hearing, give his decision in writing to the Association.

STEP 4 If a settlement satisfactory to the Association or The City has not been reached, either of the parties may notify the other party in writing within twenty (20) working days of its intent to submit the grievance to an Arbitration Board. The Arbitration Board shall be comprised in accordance with the Police Officers Collective Bargaining Act.

4.02 Grievances not submitted within sixty (60) days after the circumstances giving rise to such grievance occurred or should reasonably have been known, shall not be considered.

4.03 Where the parties mutually agree, a single arbitrator may be appointed in accordance with the Police Officers Collective Bargaining Act.

4.04 The time limits as set out in the grievance procedure may be extended by any longer period which is mutually agreed to by the parties. In addition, steps 2 through 3 can be by-passed if mutually agreed to by the parties.

VACANCIES AND PROMOTIONS

5.01 All promotions and reductions in Rank shall be made by the Chief of Police. All promotions shall follow a natural Rank progression.

5.02 No vacancies shall be filled or promotions made from outside the Members covered by the scope of this Agreement provided that such Member has the ability to perform the work, other than in the case of new recruits of Constable, or in the case of rehires pursuant to Article 6.01.

5.03 To be eligible to apply for promotion to any Rank, any Member must:

- a) write and pass examinations within four years of the application, as set by the Chief of Police and,
- b) have two and one half (2 1/2) years continuous service with the Calgary Police Service (including any time credited under Article 6.01 Rejoining) and,
- c) be confirmed in his present Rank;

5.04 To be eligible to write the examinations referred to in Clause 5.03, a Member must have, at the time of writing the examination, five(5) or more years of continuous service with a Police Service and be confirmed in his present Rank.

5.05 The promotional process shall be based upon recommendations of a Board of Officers appointed by the Chief of Police. The Board of Officers shall sit as required, but in any event, not less than once per Calendar Year to review and assess those eligible for promotion.

5.06 The object of any examination will be to test the educational and theoretical knowledge of the Member, but the fact that any Member has written the examinations does not entitle him to promotion, or to promotion before another Member who has written the examination at a later date.

5.07 All promotions shall be made on the basis of ability to perform the work, merit and seniority. Where ability to perform the work and merit are relatively equal, seniority will be the determining factor.

5.08 (a) Members covering a higher Rank for at least one-half (1/2) of a full Relief, shall be appointed to the appropriate temporary acting Rank and shall be entitled to all pay and allowances for such Rank as set forth in this Agreement, for hours worked in that capacity. Further, upon completing six (6) consecutive months of appointment to such higher Rank and continuing such appointment, a Member shall receive leave with pay at the rate of the higher Rank.

5.08 (b) Any Member covering a higher established Rank must have successfully passed the promotional examination for that Rank.

5.09 No Member shall be promoted to any Rank through any process other than that which is outlined in Section 5 of this Agreement.

REJOINING

6.01 Any Member who leaves the Calgary Police Service, may within two (2) years of leaving and subject to the approval of the Calgary Police Service, be re-hired in the Calgary Police Service at the Rank that the Member left provided the Member has the ability to perform the work and provided that a Position is vacant such that the Member rejoining does not displace someone who has filled the Position or is on probation.

Any former Calgary Police Service Member who is rehired to the Calgary Police Service within one (1) year of departure shall be credited with their prior service for the purposes of annual leave and seniority. This prior service will be deemed to be continuous service for the purposes of Clauses 5.03, 5.04 and 14.06.

Any former Calgary Police Service Member who is rehired to the Calgary Police Service between one (1) year and two (2) years of departure shall be credited with their prior service for the purposes of annual leave, and seniority. This prior service will be deemed to be continuous service for purposes of Clauses 5.03, 5.04 and 14.06. However, the rehired Member upon becoming eligible via the promotion exam may act in a higher Classification but will not be eligible for permanent promotion to a higher Classification for a twenty-four (24) month period after rehire.

6.02 Experienced Police Officers with a minimum of two (2) full years of experience, including basic training, with a Police Service may be hired at the rate of pay consistent with their complete years of experience, but no higher than the First Class Constable rate and commensurate recognition of up to four (4) years service for vacation purposes. For clarity, Experienced Police Officers hired pursuant to this Clause will not be credited with 120 hours of vacation as of date of hire and vacation entitlement in the first year with the Calgary Police Service will be pro-rated as per Clause 2.01(a). Basic training may be abbreviated. Except for the wage rate and vacation as stated above, all service-related entitlements and benefits, such as seniority, and service in Rank will commence in the same manner as they do for a new Member who has no previous police service experience. This prior recognized service of up to four (4) years will be deemed to be continuous service for the purposes of Clauses 5.04 and 14.06.

DISCRIMINATION

7.01 The City of Calgary agrees that there shall be no discrimination against any Member because of his being a Member of the Association. The Commission, the Chief of Police or supervisory staff shall not make notations on the personal record of any Member concerning Association activity unless it interferes with his work to the extent that a warning or notation is required. Where a warning or notation is required, the Member shall be given a copy of the notation and a copy shall also be forwarded to the Association.

HARASSMENT

8.01 The Calgary Police Service and the Association recognize the negative impact that harassment has in the workplace and they will make every effort to prevent harassment between all CPS employees and outside parties. Neither the Service, nor the Association, will tolerate, ignore or condone workplace harassment.

CHECK-OFF

9.01 The City of Calgary shall deduct and forward to the Association on a bi-weekly basis an amount equivalent to membership dues and Life Insurance premiums for every person employed within the scope of this Agreement.

OVERTIME AND COURT TIME

This section's purpose is to establish the overtime conditions that are particular to a regular work week schedule and those working conditions established as per Clause 3.01.

10.01 (a) All Members shall have the option of receiving one (1) hour's pay for each Time Credit earned or accumulating Time Credits up to one hundred and **eighty-five (185)** hours. Subject to the needs of the Calgary Police Service, Members will be allowed to take their accumulated time off when requested, provided reasonable notice of intention to take time off is given. In the event the requested time off is refused to the Member, the supervisor will notify the Member in writing outlining the reason(s) for the decision.

10.01 (b) When Time Credits in excess of one hundred and eighty-five (185) have been accumulated by any one Member, such Member will be paid for all Time Credits **in excess of one hundred and eighty-five (185)** at the rate of one (1) hour's pay for each such Time Credit.

OVERTIME

10.02 (a) All hours a Member is authorized to work in excess of their normal scheduled daily or weekly hours shall be overtime. Any Member who works such authorized overtime shall be entitled to two (2) Time Credits for each hour of overtime worked on a daily basis. Overtime will be calculated on the basis of six (6) minutes equalling one-tenth (1/10) of an hour.

10.02 (b) All hours a Member is authorized to work in excess of their normal scheduled daily or weekly hours shall be overtime, except where changes in days off or hours of work have been made as a result of a mutual change.

10.02 (c) Any Member working a Relief as a result of a mutual change shall be entitled to overtime for any hours worked in excess of the normal scheduled daily hours per Relief.

SPECIAL DUTY ROSTER

10.03 (a) The Chief of Police shall not permit the posting of special Duty Rosters to avoid payment of call-out rates as provided for in this clause. A special Duty Roster is necessitated by a special event and changes the scheduled hours of work of a Member and those of his immediate work group. Call-out will be paid when a special Duty Roster is posted which provides less than twelve (12) hours' notice.

CALL-OUT

10.03 (b) Where extra duty is ordered and it either precedes a Member's regular Relief by more than two (2) hours or does not immediately follow his regular Relief, the Member shall be entitled to two (2) Time Credits for each hour of such extra duty. However, if the Member is called out for less than two and one-half (2 ½) hours, that Member will be entitled to a minimum of five (5) Time Credits for such extra duty.

10.03 (c) A Member who is given a statutory holiday off in lieu of a regularly scheduled Relief, and is called out on that same statutory holiday, will be allowed the opportunity to work an entire Shift commencing at the time the Member arrives for duty, with the compensation as per Clause 2.05. If the Member does not wish to work an entire Shift, then "Call Out" Time Credits as per Clause 10.03 (b) will be applied.

COURT ATTENDANCE

10.04 DAY OFF - When a Member is required to attend Court on an off duty day, he shall be entitled to not less than eight (8) Time Credits for one (1) Court appearance, either at Morning Court or Afternoon Court, and not less than fourteen (14) Time Credits for Court appearances at both Morning Court and Afternoon Court.

10.05 NIGHT RELIEF - When a Member who is assigned to night Relief is required to attend Court, he shall be entitled to not less than six (6) Time Credits for attendance at Morning Court and not less than six (6) Time Credits for attendance at Afternoon Court.

10.06 AFTERNOON RELIEF - When a Member who is assigned to afternoon Relief is required to attend Court, he shall be entitled to not less than four (4) Time Credits for attendance at Morning Court and not less than three (3) Time Credits for attendance at Afternoon Court unless such Court attendance shall commence and conclude within his regular hours of duty, in which case no Time Credits will be granted.

10.07 When a Member who is assigned to a Relief which commences between 2:00 p.m. (1400 hours) and 9:00 p.m. (2100 hours) attends both morning and Afternoon Court of the same day, he shall be entitled to receive Time Credits consistent with the Relief to which he is assigned or if he so desires and the needs of the Calgary Police Service permit, completion of his required attendance in Court shall be deemed to be his work Relief for that day.

COURT ATTENDANCE - SWING SHIFT

10.08 When a Member is assigned to work a Relief known as a "Swing Relief" and he is required to appear in Court, he shall receive Court Time consistent with the Relief to which he is assigned for the day, except when the Member has just completed a night Relief and is assigned to the following afternoon Relief, in which case he shall receive Court Time at the rate of seven (7) Time Credits for a morning appearance.

COURT ATTENDANCE - WHEN ON ACCUMULATED TIME

10.09 When a requested accumulated time off and a Court appearance fall on the same day, a Member shall have the option of cancelling his request for accumulated time or receive not less than three (3) Time Credits for attendance at a Morning Court session and not less than three (3) Time Credits for attendance at an Afternoon Court session.

This applies only if the accumulated time taken falls during hours of Court. If accumulated time taken falls outside of regular Court hours, then hours earned will be based on the Shift the Member would have worked.

10.10 When a Member is assigned to a day Relief commencing between 9:30 a.m. (0930 hours) and 11:30 a.m. (1130 hours) and is required to attend Court preceding the commencement of his Relief, he shall be entitled to overtime as set forth in this Agreement.

10.11 Every reasonable effort shall be made to give a Member eight (8) hours notice of a cancellation or change in a Court appearance. In the event that a Member does not receive eight (8) hours notice he shall receive two (2) Time Credits. It is understood that the foregoing shall not apply in the case of a Member who is given notice prior to the termination of his Relief.

10.12 (a) If a Member is brought back for duty during his vacation he shall be entitled to sixteen (16) Time Credits for attendance at one (1) or more Court sessions or any other required official duties, for each day of said service.

10.12 (b) If a Member is vacationing outside the city limits of Calgary, and is brought back for duty during his vacation for attendance at one (1) or more Court sessions, or any other required official duty, he shall be entitled to, in addition to the Time Credits provided for in 10.12 (a), an additional eight (8) Time Credits per day of travel, provided that it is necessary for the Member to travel on a day or days other than those on which his attendance is required pursuant to this clause.

10.12 (c) Where a Member who is on leave of absence or is retired is required to attend Court in relation to his obligations as a Member (or retired Member) of the Calgary Police Service, he shall receive six (6) Time Credits or its cash equivalent for one (1) Court appearance, either at Morning Court or Afternoon Court, and not less than eight (8) Time Credits for Court appearances at both Morning Court and Afternoon Court. Subject to Clause 10.01, a Member shall have a choice of whether to receive Time Credits or its cash equivalent. A retired Member will receive the cash equivalent to the Time Credits.

10.13 All necessary and reasonable travel expenses, including food and lodging actually incurred by a Member in returning from vacation to undertake any duty required of him during annual vacation shall be paid by the **Calgary Police Service**, and including, where applicable, all such expenses in returning to the place from which such Member had to return to undertake such duty provided, however, that in order to qualify for such allowances, a Member must advise his Inspector in writing at the earliest possible date of any Court appearance or other police duty which requires his attendance during his annual leave. - (d) "full pay" means the regular bi-weekly basic salary and service pay that the Member was entitled to receive at the time he was disabled or killed. Regular bi-weekly earnings shall be based on the regular rate of pay for the established Classification or Rank occupied by the Member at the time the Member was disabled or killed and the regular number of biweekly hours applicable to that Member's status. Applied to these regular biweekly earnings will be:

- (i) the progression to that level to which the Member would have automatically progressed only by reason of time in the Classification or Rank had he not been disabled or killed excluding any anticipated career progression which involves any form of qualifications other than service time irrespective of whether the Member held the qualification at the time he was killed; or
 - (ii) the annual career progression to that level to which the Member would have automatically progressed only by reason of time in the Classification or Rank had he not been disabled excluding any anticipated career progression which involves any form of qualifications other than service time irrespective of whether the Member held the qualifications at the time he was disabled; and

Disabled Members will continue to have deducted Association Insurance premiums.
- (f) "surviving partner and/or spouse" means a woman or man who has survived a Member to whom **the Member** was lawfully married or living/cohabitating as a common-law spouse and who was being wholly or partially supported by the Member at the time of death.

This includes, but is not limited to, those references contained within sections 3, 4(a), 9 and 10 of this Appendix.

2. Where a Member is disabled or killed in the course and scope of his employment with the Calgary Police Service, as a direct result of the performance of the Member's sworn duties as a Police Officer, which include:

- (a) the preservation of life or property; or

or
- (c) enforcement of the law or the maintenance of the peace; or
- (d) the detection of crime; or
- (e) while engaged in assigned police training or other courses of Training approved or authorized by the Chief of Police or the Police Commission;

The City shall pay to the Member, if disabled, or to the Member's surviving partner and/or spouse or dependent children, if killed, the Member's full pay under the terms and conditions hereinafter set out PROVIDED that the disability or death of the Member was not due to the Member's own gross disregard or neglect of his duty or was not self-inflicted.

3. In the event a Member is killed leaving a surviving partner and/or spouse under the circumstances set out in Section 2, the City shall pay to the surviving partner and/or spouse bi-weekly, subject to the deductions set out in Section 6, the full pay that the Member would have received from The City had the Member not been killed, the said sum will be payable from the date of death of the Member until such time as the surviving partner and/or spouse dies, or the date the Member would have been required to retire from the employ of The City, whichever is the earliest.

4. (a) In the event a Member is killed under circumstances set out in Section 2, leaving no surviving partner and/or spouse but leaving a dependent child or children surviving the Member, The City shall, subject to the deductions set out in Section 6, pay to each dependent child up to a maximum of four (4) bi-weekly a sum equal to twenty percent (20%) of the full pay that the Member would have received from The City had he not been killed, the said sum will be payable from the date of death of the Member until such time as the child ceases to be a dependent child or the date the Member would have been required to retire from the employ of The City, whichever is the earlier.
 - (b) Where the Member leaves surviving him more than four (4) dependent children, the total sum payable by The City pursuant to Section 4 (a) shall be paid by The City to such dependent children in fixed equal shares.
 - (c) The sum payable by The City pursuant to this Section shall be paid by The City as long as any child of the Member remains a dependent child.
5. In the event the surviving partner and/or spouse dies subsequent to a Member having been killed, the provisions of Section 4 shall apply to any dependent child surviving the Member and his surviving partner and/or spouse.
6. In determining the amount to be paid to a surviving partner and/or spouse or dependent child by The City, any benefits payable to the surviving partner and/or spouse or any dependent child by reason of the death of the Member under any Workers' Compensation (except any payment for funeral expenses), Canada Pension Plan (except any payment for funeral expenses), Local Authorities Pension Plan, City of Calgary Pension Plan, any other pension plan or annuity or any of their equivalents that have not been personally contracted for by the Member, the surviving partner and/or spouse or any of the Member's family, or any damages awarded to the surviving partner and/or spouse or any dependent child by reason of the death of the Member, shall upon being awarded to the surviving partner and/or spouse or the dependent child, be deducted from the full pay.
7. Any sums of money payable by The City to any dependent child under the age of eighteen (18) years may properly be paid by The City to the legal guardian of such dependent child whose receipt shall be sufficient discharge to The City.
8. The City shall continue to ensure that the surviving partner and/or spouse or any dependent child will be covered by the appropriate Alberta Blue Cross Plan and the Alberta Hospitals Act or any replacement, extension or substitution thereof in Alberta, PROVIDED the surviving partner and/or spouse or any dependent child at all times remains eligible for such coverage.

9. On the date that the Member would have retired from the employ of The City, had he not been killed as set out in Section 2, The City shall pay to the surviving partner and/or spouse, if alive, an amount equal to the monthly pension to which she would have been entitled as a surviving partner and/or spouse had the Member died subsequent to his retirement date, in the same manner and under the same conditions as may be provided in any City Pension Plan or its equivalent application to Members of the Police Service in existence at the date that the Member would have retired from the employ of The City had the Member not been killed.
10. In the event a Member is disabled under circumstances set out in Section 2, The City shall pay to the Member bi-weekly subject to the deductions set out in Section 6, the full pay that he would have received from The City had he not been disabled until such time as the Member dies or the date that the Member would have been required to retire from the employ of The City, whichever is the earlier, PROVIDED THAT if the Member fully recovers and is capable of being employed by The Police Service at a salary which is equal to or in excess of the Member's full pay, then The City's obligation herein shall cease.
11. Where a disabled Member partially recovers and The City finds alternative employment for the Member within The City or any of its Associated Boards, Commissions, Authorities or Agencies which the Member is capable of performing, the full pay which the Member is entitled to receive shall be reduced by the bi-weekly salary received from such employment.
12. A disabled Member may earn from employment, other than employment with The City or any of its Associated Boards, Commissions, Authorities or Agencies, up to twenty percent (20%) of his annual full pay without any reduction in the Member's full pay but any monies earned by the Member from such employment in excess thereof shall be deducted from the Member's full pay.
13. The provisions of this Appendix shall be administered by Human Resources of The City of Calgary.
14. Affidavits in a form and containing such information as may be prescribed by The City shall be filed annually with and on a date to be specified by Human Resources of The City of Calgary by the following persons:

RE: RETENTION OF EXPERIENCED POLICE OFFICERS

Both parties recognize the important benefits of and value in maintaining an experienced, highly skilled work force. The Calgary Police Service (CPS) is prepared to recognize the value of retaining experienced police officers that are prepared to commit to continued service beyond 25 years.

In order to assist with the retention of experienced police officers, the Calgary Police Service is prepared to provide an additional index pay of three percent (3%) above the base index pay for Members who are in the Classifications of 1st Class Constables – 5th year up to and including Staff Sergeants. The additional index pay will only be applicable to those Members of the Calgary Police Association (CPA) in the above-noted Classifications with Rank who have completed 25 years of City service and are currently working in their 26th year or more.

This Letter of Understanding (LOU) shall become null and void effective **2018 January 5**, unless the City of Calgary and the Calgary Police Association mutually agree to an extension. Failing an agreement to extend the LOU, those Members who become eligible during the life of this collective agreement to receive this additional index pay of three percent (3%) will continue to receive this payment until the Member either retires, resigns or is terminated, but no other Members would become eligible following the expiration of the LOU on **2018 January 5**.

RE: SCHEDULE A (5th Class Constable) RECRUITMENT STRATEGY

When the Calgary Police Service experiences difficulty in recruiting Constables due to the rate of pay required by the market place, the Calgary Police Service (CPS) shall have the right to authorize the placement of new hires at an Index of 69% of the Constable 1st Class - 5th Year rate.

Existing 5th Class Constables – 1st Year at an Index of 65% shall not be paid less than the market adjustment paid to a new hire. When a current 5th Class Constable – 1st Year is adjusted upward for this reason, the salary anniversary date will not be adjusted. All 5th Class Constables – 1st Year shall be notified of their pay adjustment where applicable.

RE: VOLUNTARY FLEXIBLE WORK OPTIONS

In an effort to respond to the changing needs of Members and to promote flexibility in the workplace, the Parties commit to supporting a number of flexible work options, including non-standard schedules, job sharing and telework.

The parties agree Members working a voluntary flexible work option shall be eligible for all entitlements and benefits contained in the Collective Agreement unless otherwise addressed herein. The parties further agree to substitute this Letter of Understanding for Article 24.00 Job Sharing.

Eligibility and Application

A Member of the Calgary Police Service (CPS) who is confirmed in employment may make application for one or more of these flexible work options. It is understood that first consideration shall be given to the Member's current assignment for flexible work option applications. If a Member's own assignment is unsuitable for a flexible work option, CPS may, in its sole discretion, give consideration to another work assignment.

All flexible work option applications shall be approved by the Inspector, Human Resources Operations Section. If an application is denied, the applicant may appeal to the Chief of Police, or his designate, for reconsideration. This decision shall be final and binding. The Calgary Police Association shall be notified of each application for a flexible work option and its outcome.

For a six (6) month trial period after the implementation of any flexible work option arrangement, the Member and the CPS shall evaluate the operational impacts of the arrangement. If either party wishes to revert to standard terms and conditions, they shall give the other party thirty (30) days written notice.

After the completion of the trial period, the arrangement shall be reviewed annually. However, if at any time the CPS determines that the flexible work option shall not be continued, the Member shall be given eight (8) weeks written notice that they shall be returned to standard terms and conditions of employment. Conversely, if the Member wishes to return to standard terms and conditions of employment, the CPS shall, as soon as practicable:

- a) increase the hours of a non-standard or job share position back to standard hours;
- b) subject to availability, transfer the Member from a non-standard position or a job share position to the first available, standard hours position which they are qualified to hold; or
- c) return a Member who has been teleworking to their applicable CPS worksite.

Non-standard Schedule

A non-standard schedule is one in which a Member works less than an average of forty (40) hours per week, but maintains an average schedule of at least thirty (30) hours a week, based on the unit's schedule. This minimum thirty (30) hour per week schedule ensures the Member remains eligible to participate in the Special Forces Pension Plan (SFPP) and for benefits under the Municipal Employees Benefit Association of Calgary (MEBAC) Agreement.

A non-standard schedule may consist of fewer days in the week than is standard for the Member's position, fewer hours in a day than is standard for the Member's position or any combination of these two options. As a result of working a non-standard schedule, a Member's pay, allowances and hours are pro-rated as set out in this Section. The pro-ratio is calculated based on the standard two thousand eighty-eight (2088) annual hours.

1. Service and Seniority

A Member continues to accrue both service and seniority when working a non-standard schedule.

2. Vacation Entitlement

For the duration of the non-standard arrangement, the Member's annual vacation entitlement as addressed in Clause 2.01(b) shall be pro-rated based on hours worked and Clause 2.01 (e) shall apply.

3. Statutory Holidays

If a statutory holiday falls on a regular day off of a Member who works a non-standard schedule, that Member shall be entitled to receive six (6) time credits. A Member who is in receipt of full long term disability (LTD) benefits or full Workers Compensation Board (WCB) benefits shall not be entitled to any time credits. However, a Member who is in receipt of partial LTD or WCB benefits shall be entitled to receive six (6) time credits.

A Member who works a non-standard schedule and is required to work on a statutory holiday shall be entitled to receive, in addition to their regular salary, two (2) time credits for each hour worked.

With respect to a Member working Christmas Eve and New Year's Eve, the Member shall receive the premiums outlined in Clause 2.02 (b) and (c).

4. Court Time

A Member working a non-standard schedule shall receive three-quarters (3/4) of the Time Credits stipulated in the Collective Agreement (to the nearest whole Time Credit) in relation to Court attendance, on an off duty day.

5. Overtime

A Member working a non-standard schedule shall be paid overtime when their authorized hours worked exceed the daily or weekly standard hours for the position (as defined in Clause 3.01 (a), in accordance with Clause 3.01(c), and Letter of Understanding Working Conditions).

Any Member who works such authorized overtime shall be entitled to two (2) Time Credits for each hour of overtime worked. Overtime shall be calculated on the basis of six (6) minutes equalling one-tenth (1/10) of an hour.

Where operationally feasible, the Service shall endeavour to avoid requiring Members working non-standard schedules from working overtime.

6. Clothing

The entitlement of a Member working a non-standard schedule to a plainclothes allowance and/or dry cleaning allowance in accordance with Clause 12.04 (b) and 12.04 (b) (i), shall be pro-rated according to their actual hours worked. Notwithstanding this pro-ration, no Member working a non-standard schedule shall receive less than seventy-five percent (75%) of the entitlement provided to a Member working a standard schedule.

Job Sharing

A job share arrangement is whereby two (2) Members of the Calgary Police Service share the pay, allowances and hours of work of a single, full-time position. Both Members must qualify for the position they share. A job share participant must maintain a weekly schedule which averages twenty (20) hours to remain eligible to participate in the SFPP and in MEBAC. As a result of working fewer weekly and biweekly hours or days, a Member's pay, allowances and hours are pro-rated as set out in this Section. The Member's service based entitlements shall be pro-rated based on twenty (20) hours a week and the pro-ration is calculated based on the standard two thousand eighty-eight (2088) annual hours.

1. Service and Seniority

A Member shall continue to accrue both service and seniority when working in a job share arrangement.

2. Vacation Entitlement

For the duration of the job-sharing arrangement, the Member's annual vacation entitlement as addressed in Clause 2.01(b) shall be pro-rated based on hours worked and Clause 2.01 (e) shall apply.

3. Statutory Holidays

With respect to Clause 2.02 pertaining to statutory holidays and Christmas and New Year's Eve, the City of Calgary will not assume additional costs in statutory holiday pay or holiday premiums beyond that which would be paid to one (1) full-time Position. However, if for whatever reason the CPS schedules both Members to work, they shall each receive compensation in accordance with the Clause 2.02.

If a statutory holiday falls on a regular day off of a Member working a job share, that Member shall be entitled to receive four (4) time credits. A Member who is in receipt of full LTD benefits or full WCB benefits shall not be entitled to any time credits. However, a Member who is in receipt of partial LTD or WCB benefits shall be entitled to receive four (4) time credits.

A Member who works a job share and is required to work on a statutory holiday shall be entitled to receive, in addition to their regular salary, two (2) time credits for each hour worked.

4. Court Time

A Member working a job share arrangement shall receive half (1/2) of the Time Credits stipulated in the Collective Agreement (to the nearest whole Time Credit) in relation to Court attendance, on an off duty day.

5. Overtime

A Member working a job share shall be paid overtime when their daily hours worked exceed the regularly scheduled hours per relief (ranging from eight (8) to twelve (12) hours) or when the hours exceed an average of eighty (80) hours over a four (4) week cycle.

Any Member who works such authorized overtime shall be entitled to two (2) Time Credits for each hour of overtime worked. Overtime shall be calculated on the basis of six (6) minutes equaling one-tenth (1/10) of an hour.

Where operationally feasible, the Service shall endeavour to avoid requiring Members working in job share arrangement from working overtime.

6. Clothing

The entitlement of a Member working a job share arrangement to a plainclothes allowance and/or dry cleaning allowance in accordance with Clause 12.04 (b) and 12.04 (b) (i), shall be divided between the two (2) participants in such a way that the total cost does not exceed what would have been issued/paid to one (1) Member working a standard schedule.

Telework

“Telework” means an arrangement where a Member works away from the Calgary Police Service workspace. It takes place at a designated workspace (typically a home office) that meets The City’s guidelines for occupational health and safety. Telework participants may work a standard or a non-standard schedule or may also participate in a job share.

Where telework arrangements have been layered with either non-standard or job-share, these flexible work options shall be reviewed as part of a single application.

1. Shift differential shall continue to be paid for those Members whose regular schedule incurs this premium and who continue to work the same schedule from home.

Members who request an alternate shift that regularly incurs shift differential shall not be entitled where the alternate schedule differs from the regular schedule. In the event that a Member requests a return to their regular schedule, and such request is denied by the CPS, the member shall be eligible for the applicable shift differential.

2. During their scheduled telework hours, Members are expected to be working as they would at their applicable CPS place of work.
3. The Member's work space must be set up to ensure that confidential documents are safely stored and are inaccessible by other individuals.
4. Members in a telework arrangement shall not be entitled to the meal allowance as referenced in Clause 2.08.

This Letter of Understanding may be terminated by either party with three (3) months written notice. In this event, the parties shall revert back to the terms outlined in the Collective Agreement and all Members working a Flexible Work Option shall be returned to the standard terms and conditions of employment.

Signed this 8th day of February, 2017.
