---

Where the employee's accumulated time balance is reduced (via approved periods

of paid time off or by cash pay-outs), the employee may re-accumulate credits up to the 320 hour limit.

A member will be permitted to bank additional dollars if, after an increase to the member's regular rate of pay, the dollar credits carried over and current year accumulation no longer total the time equivalent of 320 hours.

7.04 Supplementation of Compensation Award

If a member is disabled on account of a compensable accident or illness which occurs as a result of their employment with the City and which is recognized by the Board and the Board awards a disability benefit to the member, this plan shall provide supplementary payment to the member, the payment hereunder to be supplementary to the Board's (Usability benefit and other pensions, payments or benefits not personally contracted for by the member, in accordance with the following conditions:

- 7.04.01 If a member is disabled on account of an accident or illness that occurs in the course of their work for the City, and the accident or illness is recognized as being compensable by the Board through payment of a disability benefit to the member, the City shall make a supplementary payment so that the combined payment to the member from the Board's disability benefit, other pensions not personally contracted for by the member and the supplementary payment hereunder, equal one hundred percent (100%) of the member's net pay.

It is understood that payments such as annuities or awards payable to the member as a result of a Criminal Injuries Compensation Award, or a civil suit against any third party, arising out of the accident or illness giving rise to this supplementary benefit, or other lump sum payments as defined in 7.04.04, shall be calculated in the monies received by the member, as if it were a pension not personally contracted for by the member and shall offset any supplementary payment due under this. Lump sum payments shall be dealt with in accordance with 7.04.04 hereof.

- 7.04.02 When a member is disabled, the City's supplementation payment described in 7.04.01 shall continue until such time as:

- the member returns to work;
- the member reaches the age of sixty-five (65) years;
- the member's termination of employment with the Service; or
- earnings from alternate gainful employment together with any pensions, annuities and awards not personally contracted for by the member, payable to the member, are equal to or greater than the net pay as defined in 7.04.07.05,

whichever occurs first.

It is understood that, if a member is able to engage in alternate gainful employment, earnings from such employment shall offset the amount of the supplementation payable by the City. If the member is medically able to engage in alternate gainful employment, but refuses to do so, any obligation on the part of the City to make supplementation payments shall cease and desist.

- 7.04.03 Should a question arise as to the member's medical capabilities, including whether or not a member is capable of performing any job, the City shall have the right to consult with the member's physician in order to obtain a report as to the member's medical capability of performing work or a job and/or to refer the member to a physician appointed by, but not employed by, the City for medical examination in that regard. In the event that the member refuses to

allow consultation, or refuses to take a medical examination as requested by the City, any responsibility of the City, or any rights of the member under the provisions of 7.04 shall be suspended for the period that the member refuses or fails to allow the consultation or to take the examination, and the member will have no entitlement to benefits hereunder during the period the member's rights are suspended.

In the event a dispute arises concerning the member's medical capability to perform work, or any job, the same shall be settled by the Workers' Compensation Board review and appeal processes for workers and employers.

7.04.04 In the event that a member is awarded a payment as a result of a Criminal Injuries Compensation Award, or civil suit against any third party arising out of the accident or illness giving rise to the supplementary benefit, or receives refunds from pensions, health and welfare or other similar plans that have not been personally contracted for (which hereafter are referred to as a "lump sum payment"), the member shall choose one of the options (a) to (c) enumerated below.

- a) The lump sum payment shall be actuarially equated by the City to a monthly value based on pro-rating the payment over the normal remaining service life of the member to age sixty-five (65) and such monthly value shall be deducted from the amount of the supplementation owed by the City, or
- b) The member may accept the lump sum payment and, in so doing, shall automatically release the City from any and all obligations for supplementation, or
- c) The member may irrevocably assign the lump sum payment to the City, and the City shall then be obligated to continue supplementation of compensation payments to the member in accordance with the provisions of 7.04. It is understood and agreed that if the City brings action against any third party in the name of the member, and a lump sum payment results, the lump sum payment value to be used in the application of this clause is the amount awarded by the Court less the costs incurred by the City or the member, in pursuing the action.

7.04.05 Subject to the rights of the Workers' Compensation Board pursuant to the Workers' Compensation Act, if the City makes any payment or assumes any liability therefore under this Plan, it is subrogated to the rights of recovery of the member (whatever is applicable) and may bring action in the name of the member to enforce those rights.

7.04.06 The City and the member may at any time agree to a lump sum cash settlement in lieu of supplementation of compensation payments.

### 9.01 Promotion Eligibility / Qualification Process

Those eligible for promotion to the rank of Staff Sergeant shall be Sergeants or Detectives who have earned a minimum of two (2) years in their present ranks and successfully competed in the promotional process outlined in 9.01.03 and 9.01.04.

#### 9.01.01 Constable Promotion Eligibility Exam Criteria

Constables shall be eligible to participate in the qualifying examination in their 5<sup>th</sup> year of service but will not be eligible to temporarily act or relieve in a higher rank, as outlined in 5.07 until they complete 5 years of service.

Constables shall be eligible to participate in the initial qualifying examination that is held in the next calendar year when they have attained:

- Service credits shall only be granted from the date of last enlistment in the EPS.

#### 9.01.02 Promotion Eligibility Exam/Re-Examination Process

The initial examination or re-qualification exam will be held each year. The mark necessary to qualify for promotion from Constable to Detective or Sergeant shall be seventy percent (70%). Once constables have attained a mark of seventy percent (70%), they shall be considered as qualified and no further marking of the examination shall take place.

FOR CONSTABLES WHO FIRST WRITE THE QUALIFYING EXAM ON OR AFTER JANUARY 1, 2010:

Once qualified for promotion, members shall be required to re-qualify by examination following each five (5) consecutive year period of being qualified but not promoted. The EPS reserves the right to notify members that the five (5) year rewrite period is extended to six (6) years, due to operational requirements.

#### 9.01.03 Sustainability for Promotion

Before a member is eligible to participate in the promotion process, the member must be deemed suitable for promotion. This assessment will include a review of their employee file and relevant Professional Standards Branch files(s), and readiness for promotion assessment from the member's Divisional Management Team.

#### 9.01.04 Promotion Process

A "Promotion Process Guide" will be issued prior to the start of the promotional process, outlining the details of the process and detailed criteria that will be used. Each promotion process will be the subject of an "After Action Report" that will be a collaborative effort between the EPS and EPA to identify any adjustments required to the overall process. Accordingly the promotional process may be adjusted from time to time with mutual agreement. Should the parties be unable to agree, the promotional process shall be as follows.

The Promotion Process is comprised of five stages:

- Stage 1: (Maximum 10 Points) Candidate's application with promotional points accumulated for education and seniority
- Stage II: (Maximum 30 Points) Written assessment focusing on key areas of investigation and supervision
- Stage III: (Maximum 40 Points) Readiness for Promotion Assessment / Divisional Management Team meetings (including the conditional right for the Association to be present)
- Stage IV: (Maximum 20 Points) Core Value Assessment
- Stage V: (Maximum zero (0) Points) Promotion Board Meeting / Chiefs Committee / Ratification of Promotions

The promotion process involves a competency-based assessment emphasizing organizational competencies, a written assessment early in the process, and a high level of input concerning a qualified candidate's Readiness for Promotion Assessment from applicable supervisors and management.

Once Stage V is completed, a list of successful candidates will be published. Effective date of the promotion and placements will be the responsibility of Human Resources Division. Subject to organizational need, Chiefs Committee may create a small short-list of candidates who will be eligible for promotion before the next process is undertaken. If a short-list is created, it must be exhausted prior to the commencement of the next process, unless written notice is provided to the Association by the Deputy i/c Corporate Services Bureau/Chief Administrative Officer explaining the reason for a candidate(s) to remain on a short-list.

Detailed criteria shall be published in a "Promotion Process Guide" issued prior to the start of the process. Each promotion process will be the subject of an "After Action Report" that will be a collaborative effort between the EPS and EPA to identify any adjustments required to the overall process.

#### 9.01.05 Final Promotion Authority

Consistent with Article 9.01 and applicable sub-clauses, the Chief of Police shall make the final decision and selection with respect to any promotion.

#### \* 9.02 Specialized Positions / Promoted Vacancy Postings

All Edmonton Police Service Constable duties, other than all positions assigned to Patrol Divisions, IMAC Branch, and Police Communication Branch, shall be considered specialized positions within the EPS.

All EPS promoted Officer duties, including Sergeants, Detective and Staff Sergeant shall not be considered specialized positions within the Edmonton Police Service.

**SPECIALIZED CONSTABLE AND PROMOTED POSITION VACANCIES / POSTING PROCESS**

When vacancies occur in specialized Constable and promoted positions, the parties agree that a total assessment of competency, relevant background, training qualifications, education, experience and merit will be the primary considerations and where two (2) or more applicants are relatively equal, seniority shall be the determining factor. A promoted member's promotion date shall be used to calculate seniority for the purpose of this article.

In the event that an operational need exists, the Deputy Chief i/c of Corporate Services Bureau/Chief Administrative Officer may make a selection with or without a posting and shall advise the Association as to the reasons for doing so.

A Divisional Superintendent shall post all vacancies service wide before a selection is made so that members have the opportunity to express interest. However, members can be laterally transferred within a section without a posting so long as tenure is not exceeded except that a Patrol Division Superintendent may first post the vacancy within the Division. In the event there is no successful candidate from within the Division, the posting shall be made service wide.

In the event the EPS conducts a lateral transfer process, in general, a substantive promoted member will be given consideration over a newly promoted member provided the substantive promoted member has the necessary competency, relevant background, training qualifications, education, experience and merit to fill the vacant position.

Notwithstanding; the Deputy Chief i/c of Corporate Services Bureau/Chief Administrative Officer may approve the selection of a newly promoted member should an organizational need to so so exist and shall advise the EPA as to the reasons for doing so.

#### 9.02.01 Newly Promoted Positions Assignment Tenure

A newly promoted member is required to serve two (2) full calendar years in the promoted position prior to being eligible for a lateral transfer. Notwithstanding this provision, in the event an organizational need exists, the Deputy chief i/c of Corporate Services Bureau/Chief Administrative Officer may approve a lateral transfer and shall advise the EPA of the reasons for doing so.

#### 9.02.02 Constable Specialized to Specialized Limitation

Constables shall be required to return to an essential position for one (1) calendar year before being moved from a specialized position to another specialized position. In the event that an operational need exists, the Deputy Chief i/c of Corporate Services Bureau/Chief Administrative Officer may transfer a constable from a specialized position to another specialized position and shall advise the EPA as to the reasons for doing so.

#### 9.02.03 Posting Process with External Partners

Constable, Detective/Sergeant, or Staff Sergeant vacancies in areas with external partners (e.g. School Resource Officers, ASIRT, Domestic Violence Teams, etc.) shall be subject to the same posting and selection processes detailed above. In the event that an operational need exists, the Deputy Chief i/c of Corporate Services Bureau/Chief Administrative Officer may make a selection and shall advise the EPA as to the reasons for doing so.

#### \*\* 9.02.04 Limitations on Repeating Specialized Positions

Members who have filled a specialized or specialized promoted position are not eligible to fill the same specialized or specialized promoted position at the same rank again. Consideration may be given if no other applicants have applied.

### 9.03 Promotion Limitation / Special Assignment

Except as otherwise provided by this Agreement, the Chief of Police may not promote a member who is not eligible/qualified for promotion according to the applicable provisions of 9.01.01, 9.01.02, and 9.01.03 without the written approval of the EPA. However, the Chief of Police may appoint a member to a special assignment within the EPS and pay to that member whatever wage or salary the Chief deems advisable so long as the special assignment is not established as part of the EPS and does not entail the supervising and directing of other members of the EPS outside of the scope of the special assignment. A member so appointed shall retain the rank to which the member was permanently appointed or was serving the probationary period thereof and shall be eligible to qualify for further promotion in the EPS in accordance with this Agreement. However, the member upon engaging in duties other than those of a specialized nature shall revert to the pay level and other conditions applicable to their rank or such other rank to which they may have been promoted.

- 10.01 When a new position within an existing classification is under consideration, the EPS will enter into discussions with the EPA prior to implementation.
- 10.02 In the event that the EPS creates a new classification coming under the jurisdiction of the EPA, the rate of pay and working conditions of such classification shall be negotiated by the Police Service and the EPA prior to the posting of a vacant position within the new classification.
- 10.03 If a satisfactory settlement of wages to be paid and the working conditions of such new classification has not been reached within seven (7) calendar days of the notice by the City to the EPA of the creation of the new classification, the posting of the vacancy shall be made according to the rate of pay and working conditions set out by the City. Notwithstanding such posting, the classification's rate of pay and working conditions shall still be a matter of negotiation between the City and the EPA and the notice of posting shall contain the following statement:

"The final settlement for the rate of wages and working conditions is being negotiated."

Any increase in the rate of pay realized through such negotiations shall be paid retroactive to the date the position in the new classification was filled.

## 14 INCAPACITY TO PERFORM REGULAR DUTIES

To ensure the health and safety of its members and the community they serve, the EPS has an obligation to ensure that members are fit and able to perform their duties.

- 14.01 If the EPS has reasonable concern that a member is unable to safely perform their duties due to an illness or medical condition, EPS will take reasonable and necessary steps to inquire if this is the case. Such an inquiry will be managed by the Employee and Organizational Wellness Branch and the following will apply:
- a) EPS will, as soon as reasonably possible, contact the EPA on a confidential basis and advise them of the EPS's concern regarding a member.
  - b) EPS may meet with a member and have an open and frank discussion with the member about the concern(s), including advising the member of Employee Assistance Program options. The EPS will advise the member that they can have the EPA attend the meeting should the member wish.
  - c) The EPS may, if reasonable to do so, request the member provide EPS with confirmation from the member's primary health care provider that the member is medically fit and able to safely perform their duties. The member's primary health care provider will be provided with relevant information, including an outline of the EPS's concerns. This cost of this medical confirmation will be paid for by the EPS.
  - d) If a member refuses to meet with the EPS or provide satisfactory confirmation from the member's primary health care provider, the EPS shall provide the member with a final warning. The member will have seven (7) calendar days to comply with the final warning. If the member has still not met with EPS or provided EPS with satisfactory confirmation from the member's primary health care provider, EPS may then require the member to undergo an independent medical evaluation ("IME"). The physician performing the IME shall be appropriately qualified and selected by the EPS. If an IME is directed, the member shall cooperate with reasonable requests made by the physician, including requests for relevant medical information. Following the examination, the physician shall provide an assessment of the member's fitness to perform their duties to the EPS and a copy of the IME report will be provided to member's physician.
- 14.02 During the inquiry the EPS may take reasonable steps it deems necessary to mitigate any risks to the member, other members and/or the public. Such steps may include, but are not limited to, modifications to the member's duties, reassignment to a different role, and/or placement on leave with pay.
- 14.03 In the event that a member is partially incapacitated as a result of illness or injury, every effort shall be made to first employ this member in the Edmonton Police Service, and only elsewhere in the civic service if no reasonable accommodation can be found anywhere within the EPS, as befits the case.

## 15 LEGAL EXPENSES AND INDEMNIFICATION

- 15.01 The City shall pay all reasonable legal expenses and costs with respect to any criminal or civil action taken against, or in respect of, a member, provided that:
- a) such action arises out of such member's actions while engaged in their duties as a Police Officer; and
  - b) such action did not constitute a gross disregard or neglect of their duties as a Police Officer.
- 15.02 Notwithstanding 15.01, where a member is a defendant in a civil action arising out of the ownership, use or operation of a police motor vehicle the member shall be represented by the City's Law Branch unless there is a conflict between the City's interests and the interests of the member. The member must cooperate with the City's Law Branch in the defence of the action.
- 15.03 The City of Edmonton shall indemnify and save harmless any member from any civil legal action, claim, cause or demand that may be made or arises out of the member carrying out the duties of a Police Officer except where the action of the member constitutes a gross disregard or neglect of their duties as a Police Officer, and provided that the member and their counsel reasonably cooperate with the EPS throughout the entire course of the action.
- 15.04 A member may be personally disciplined pursuant to the Police Service Regulation of the Police Act. Where a question arises as to whether such discipline is in accordance with the Police Service Regulation or the Police Act, the matter should follow the appeal procedure as outlined in the said regulation and Act. In the event that a court judgment or Law Enforcement Review Board decision is obtained which rules that the discipline referred is not in accordance with the Police Service Regulation or Police Act, the City of Edmonton shall be responsible for the member's legal expenses and costs. In all other cases, the member will be responsible for all their attendant costs.
- 15.05 Provided the member's actions do not constitute gross disregard or neglect of their duties as a Police Officer, the EPS will provide legal counsel for any members summoned to attend at a hearing under the Fatality Inquiries Act. Where EPS counsel determines that there is a conflict between the interests of the EPS and the interests of the member, the EPS will pay reasonable legal expenses and costs for counsel retained by the member. The EPS will notify the member in writing as soon as practicable if the EPS will or will not provide legal counsel for the summoned member.
- 15.06 For greater certainty, the City shall not indemnify and save harmless a member from any action, claim, cause or demand whatever, or be responsible for any legal expenses or costs incurred by a member, arising from grievances, complaints and all other matters governed by the Collective Agreement between the City and the EPA or under the Police Act.
- 15.07 The provisions of Article 15 apply to members retired or resigned in good standing, who incur costs and expenses in respect to actions they undertook while engaged in the execution of their duties as Police Officers.

Where the effective dates of items of settlement are not specifically set out within this Agreement, they shall be deemed to be effective on the first day of the pay period following the date of the ratification of this Agreement.
- 16.02 Past members who were in the service before the expiry of the previous collective agreement and the implementation date of this Agreement will receive a retroactive payment based on their period of employment in a rank or ranks coming within the scope of this Agreement, in accordance with the retroactive payment provided in 16.01, if they apply for same in writing within sixty (60) days of the effective date of this Agreement.

However, an employee who is absent from work on the date they would have been eligible to participate in the Income Protection Plan shall not be eligible to participate in the Plan until they have returned to work for the City for a period of at least ten (10) consecutive working days.

- 1.01.01 An employee who is absent from work due to personal disability (as defined in the Income Protection Plan), for one (1) complete pay period or more, during the ninety (90) calendar day waiting period shall have the waiting period extended by the number of working days the employee was absent due to such disability.
- 1.01.02 An employee who is on approved leave of absence without pay during the waiting period, for a period of one (1) complete pay period or more, shall have the waiting period extended by the number of working days the employee was absent due to such leave.

Benefits shall be based on regular rate of pay immediately prior to the commencement of such disability, subject to the provisions of 1.04. The number of working days or hours shall be administered in compliance with the Employment Insurance Premium Reduction Program.

Length of Continuous Service	Income Protection Benefits at 100% of the Regular Rate of Pay (the

If such member is in receipt of benefits at ninety percent (90%) of the regular rate of pay on the last day in a payroll year, the member shall not qualify for Income Protection benefits at one hundred percent (100%) of the regular rate of pay until they return to work for ten (10) consecutive working days.

The term "payroll year" shall mean the pay periods used by the City to determine gross earnings for the purposes of producing yearly earnings statements for income tax purposes.

A member who is in receipt of Long Term Disability benefits and who is engaged in approved alternative employment in accordance with 2.13 and is unable to perform the duties of the alternate position due to personal non-occupational disability shall be entitled to receive Income Protection benefits for each period of absence from work. Such members shall receive an entitlement equal to the lesser of ten (10) working days or eighty (80) hours of benefits in a payroll year and shall be paid for such benefits at one hundred percent (100%) of the regular rate of pay of the alternate position.

If such member is in receipt of benefits at ninety percent (90%) of the regular rate of pay on the last day in a payroll year, the member shall not qualify for Income Protection benefits at one hundred percent (100%) of the regular rate of pay until the member returns to work for ten (10) consecutive working days.

The term "payroll year" shall mean the pay periods used by the City to determine gross earnings for the purposes of producing yearly earnings statements for income tax purposes.

A member who is in receipt of Long Term Disability benefits and who is engaged in approved alternative employment in accordance with 2.13 and is unable to perform the duties of the alternate position due to personal non-occupational disability shall be entitled to receive Income Protection benefits for each period of absence from work. Such members shall receive an entitlement equal to the lesser of ten (10) working days or eighty (80) hours of benefits in a payroll year and shall be paid for such benefits at one hundred percent (100%) of the regular rate of pay of the alternate position.

- 1.03.01 If a member is absent from work due to personal non-occupational disability on the first scheduled working day for which the member would otherwise be eligible for increased Income Protection Benefit Entitlement, the member shall not become eligible for such increased entitlement until the member returns to work for the City for a period of at least ten (10) consecutive working days. Periods of leave of absence without pay in excess of one (1) complete pay period, shall not be considered as continuous employment for the purpose of determining Income Protection benefit entitlement. For accreditation purposes, a member's anniversary date shall be adjusted by the number of days of leave of absence without pay.
- 1.03.02 If a member is unable to perform the duties of their regular position but is capable of performing modified or alternative policing duties for the EPS, the member may be required to perform such modified or alternative duties until the member is again capable of performing the duties of their regular position.
- 1.03.03 A member's eligibility for Income Protection benefits, including their ability to perform alternative policing duties shall be determined by the Plan Adjudicator and shall be based on medical evidence. The Plan Adjudicator shall be appointed by the City.
- 1.03.04 When a question arises as to whether a member's disability is occupational and the disability is under review by the Workers' Compensation Board, the member shall receive Income Protection benefits in accordance with the member's entitlement until the claim is adjudicated by the Workers' Compensation Board. In the event that the Workers' Compensation Board determines that the disability is occupational, the member shall reimburse the Income Protection Plan, from any monies which may be owed to the member, for the period of absence for which the claim is considered occupational and for which the member received benefits under the Income Protection Plan.

- 1.03.05 Except as otherwise provided in this Agreement, the monetary value of Income Protection Plan benefits payable under this Plan shall be reduced by any amounts the member may be entitled to from the sources set out as follows, whether or not such amounts are provided for the disability for which benefits are being claimed:
- 1.03.05.1 Benefits from the Canada Pension Plan and/or Quebec Pension Plan, except those Canada Pension Plan and/or Quebec Pension Plan disability benefits payable on behalf of the member's dependents.
  - 1.03.05.2 Any monthly income payable as a result of the member's disability from any Plan not personally contracted for by the member including those Plans for which the member has made contributions as a result of Provincial or Federal legislation.
  - 1.03.05.3 Any other disability benefits payable to the member as a result of Provincial or Federal legislation. Notwithstanding the above, the City's plans will be considered the first payer with respect to Employment Insurance disability benefits only, subject to the requirements of the Employment Insurance Premium Reduction Program.

  - 1.03.05.5 Any monies received from the Workers' Compensation Board either directly or by way of lump sum payments or disability pensions in respect of a disability for which benefits are claimed under this Plan.

- 1.05 A member who is compelled to arrange a personal medical or dental appointment during working hours shall be allowed to meet such appointment on City time and without loss of pay, provided that the member is absent from work for a period of three (3) hours or less. Such member shall not be obliged to make up the time spent away from work to keep the appointment. Medical and dental appointments which require the member to be absent from work for longer than three (3) hours shall be debited from a member's accumulated Income Protection benefits.
- However, an employee whose absence exceeds three (3) hours for a medical or dental appointment may use banked overtime or vacation credits for the hours or portion thereof in excess of three (3) hours in order to avoid having the absence counted as an incident of absence.
- 1.06 Each period of absence from work due to non-occupational disability which exceeds three (3) hours, shall be counted as one incident of absence for the purposes of this Plan.
- During any payroll year and in order to control absenteeism, the Police Chief shall have the discretion to inform a member that subsequent incidents of absence in any payroll year shall be payable at seventy-five percent (75%) of the member's regular rate of pay.
- The above noted practice may be implemented after considering a member's absence record in any payroll year. The member shall be provided notice of such practice. Prior to implementing the practice, the Police Chief shall advise and consult with the EPA.

Subject to approval by the Plan Administrator, a member who is receiving ongoing therapeutic treatment for a life threatening disability, and as a result is absent from work for periods in excess of three (3) hours to undergo such treatment session, may have the entire number of such treatment sessions considered as one (1) incident of absence in any payroll year.

### 1.07 Recurring Disabilities

- 1.07.01 If a member returns to work after a period of disability and becomes disabled again within thirty (30) calendar days of their return to work due to causes related to the earlier disability, then the second period of disability shall be considered as an extension of the earlier period of disability and only the balance of Income Protection benefits remaining from the earlier disability shall be payable.
- 1.07.02 If a member returns to work after a period of disability and becomes disabled again within ten (10) calendar days of their return to work due to causes unrelated to the earlier disability, then the second period of disability shall be considered as an extension of the earlier period of disability and only the balance of Income Protection benefits remaining from the earlier disability shall be payable.
- 1.07.03 Notwithstanding the provisions of 1.07.01 and 1.07.02, each period of absence due to personal non-occupational disability shall be considered as one (1) incident of disability.

### 1.08 Other Benefits While Disabled

A member who is in receipt of Income Protection benefits shall continue to be covered under all City benefit plans for which the member is eligible based on the member's regular rate of pay. A member shall continue to pay applicable member contributions and the City will continue to pay its share of the cost of applicable City benefit plans.

### 1.09 Duration of Benefits

Eligibility for Income Protection benefits will cease upon the earliest of the following dates:

- 1.09.01 The date the member is no longer disabled from performing policing duties.
- 1.09.02 The date the member's Income Protection benefits have been expended.
- 1.09.03 The date the member dies.
- 1.09.04 In the case of a member who is laid off from the City, the date such layoff is effective. This clause shall not apply when the period of disability commences prior to the notice of layoff and continues beyond the date that such layoff is effective.

### 1.10 Alternative Employment with the City

If, while in receipt of Income Protection benefits, a member remains unable, due to personal non-occupational disability, to perform the duties of their regular position but is capable of performing alternative policing duties and such alternative duties are offered to the member by the EPS and the member does not accept such alternative duties, then Income Protection benefits will cease on the date the member would otherwise have commenced the alternative duties.

## 1.11 Employment for Gain

- 1.11.01 If, while in receipt of Income Protection benefits, subject to EPS Policy and the prior approval of the Plan Adjudicator, a member engages in employment for gain, then the member's eligibility for Income Protection benefits shall cease on the date the member commenced such employment for gain and no further benefits shall be payable to such member from the Income Protection Plan.
- 1.11.02 If, while in receipt of Income Protection benefits, a member engages in employment for gain and the Plan Adjudicator has not provided prior approval to the member for such employment, then the member's eligibility for Income Protection benefits shall cease on the date the member commenced such employment for gain and no further benefits shall be payable to such member from the Income Protection Plan for such disability, in addition, the member will be subject to investigation under the Police Act.

## 2 LONG TERM DISABILITY PLAN

### 2.01 Waiting Period

A permanent or probationary employee who has not attained their normal retirement age and who has completed ninety (90) calendar days of continuous civic employment since the last date they commenced employment as a permanent or probationary employee with the City shall be a member of the Long Term Disability Plan. However, an employee who is absent from work on the date that they would have been eligible to participate in the Long Term Disability Plan shall not be eligible to participate in the Plan until they have returned to work for the City for a period of at least ten (10) consecutive working days.

2.01.01 When an employee is absent from work during the waiting period due to personal disability for one (1) complete pay period or more, the employee shall have their waiting period extended by the number of working days they were absent due to such disability. When the waiting period is so extended, the employee may be required to undergo a medical assessment prior to joining the Long Term Disability Plan in order that any pre-existing conditions might be documented.

2.01.02 When an employee is on approved leave of absence without pay during the waiting period for one (1) complete pay period or more, the employee shall have their waiting period extended by the number of working days they were absent due to such leave.

### 2.02 Contributions

The cost of the Long Term Disability Plan shall be paid by members of the Plan through payroll deduction effective upon the date of membership in the Plan. For members who are receiving Long Term Disability benefits and who are not engaged in alternative employment, contributions to the Long Term Disability Plan will be waived. Employees, who are members of the Plan, but unable to receive benefits because their disability arises from a pre-existing condition as per the terms of 2.15.02 shall continue to contribute premiums to the Long Term Disability Plan. The City shall administer the Long Term Disability Plan.

### 2.03 Eligibility for Benefits

A member will not be eligible to receive Long Term Disability benefits until their Income Protection benefits have expired.

A member's eligibility for Long Term Disability benefits, including their ability to perform alternative employment shall be determined by the Plan Adjudicator. The costs of the Plan Adjudicator shall be borne by the Long Term Disability Plan. The Plan Adjudicator shall be appointed by the City.

In the event that a member disputes the eligibility decision of the Plan Adjudicator, the member may request a review of the decision by:

- a single independent physician agreed to by the City/EPS and the EPA; or
- where the EPS and the EPA do not agree to a single physician, with a review panel comprised of the Plan Adjudicator (or designate), the physician representing the member, and an independent physician.

The City/ EPS and the EPA shall attempt to agree upon the selection of the independent physician. If the City/ EPS and the EPA cannot agree upon the selection within thirty (30) calendar days, the process outlined in the Duty to Accommodate Framework Agreement (Procedures for Obtaining Expert Opinions) shall be used to select the independent physician.

The single independent physician or review panel shall review the record relied on

by the Plan Adjudicator in making its decision and either affirm or reverse the eligibility decision. The decision of the Single independent physician or the majority of the review panel members shall be final and binding on the member, the Plan Adjudicator, the City/ EPS and the EPA.

The cost of the single independent physician or review panel shall be borne by the Long Term Disability Plan. The decision of the single independent physician or the review panel must be consistent with the provisions of Part II, Article 2.15.

With the advance mutual agreement of the EPS and the EPA, grievances concerning the duty to accommodate members on the basis of physical or mental disability that cannot be settled by the process outlined above may be referred to the "Specialized Grievance and Arbitration Mechanism Pursuant to the Duty to Accommodate Framework Agreement".

- 2.04 Except as otherwise provided in this Agreement, upon expiration of the member's Income Protection benefits, and during the following twenty-four (24) month period, a member is eligible to receive Long Term Disability benefits if, due to personal non- occupational disability, they are completely unable to perform the duties of their regular position or alternative policing duties which are made available by the EPS.
- 2.05 Except as otherwise provided in this Agreement, Long Term Disability benefits will continue to be paid after the initial twenty-four (24) month period only if the disability prevents the member from engaging in an occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience. If the disability does not prevent the member from engaging in an occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience, and such member is not engaged in rehabilitative employment or training which has been approved by the Plan Adjudicator, then Long Term Disability benefits to such member will cease upon expiration of the initial twenty-four (24) month period.

"Initial twenty-four (24) month period" when used in reference to the Long Term Disability Plan shall mean a twenty-four (24) month period beginning on the date a member commences receiving Long Term Disability benefits and during which time the member is continuously disabled from the duties of their regular position including any period of time defined in 2.12, 2.13 and 2.14. In accordance with the terms of Article 2.12 the period of rehabilitative employment and/or training may be extended beyond twenty-four (24) months and this extension shall be included as part of the definition of "initial twenty-four (24) month period".

"An occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience" when used in reference to the Long Term Disability Plan shall mean an occupation which provides the member with minimum gross earnings equal to fifty percent (50%) of their regular rate of pay. The regular rate of pay shall be adjusted each January 1 by the percentage change in the Consumer Price Index for the Edmonton region during the twelve (12) month period ending on the previous November 30

## 2.06 Duration of Benefits

Eligibility for Long Term Disability benefits will cease upon the earliest of the following dates:

- 2.06.01 The date the member attains their normal retirement age (65 years).

- 2.06.02 The date the member is no longer disabled as defined by the terms of this Plan.
- 2.06.03 The date the member dies.
- 2.06.04 In the case of a member who is laid off from the City, the date such layoff is effective. This clause shall not apply when the period of disability commences and the employee was eligible to receive Income Protection or Long Term Disability benefits, prior to the notice of layoff and the disability has continued beyond the date that such layoff is effective.
- 2.06.05 The date the member is terminated from the employ of the City unless the member is engaged in approved rehabilitative employment with another employer.
- 2.06.06 The date the member resigns from the employ of the City.

**2.07 Level of Benefits Provided**

Unless otherwise provided in this Agreement, the Long Term Disability benefit shall be an amount equal to a percentage of the annualized regular rate of pay of the position to which the member was permanently appointed or serving the required probationary period or trial term thereof on the date they were first eligible for Long Term Disability benefits. The annualized regular rate of pay for full-time members shall be calculated by multiplying the hourly regular rate of pay times the scheduled hours of work or, if the member's regular rate of pay is a bi-weekly rate, then multiplying the bi-weekly rate times twenty-six point one (26.1). The percentage of annualized regular rate of pay which is paid as the Long Term Disability benefit shall be in accordance with the following:

Annualized Regular Rate of Pay	Long Term Disability Benefit (Percentage of Annualized Regular Rate of Pay)
\$40,000.99 or less	55%
\$40,001 to \$50,000.99	54%
\$50,001 to \$60,000.99	53%
\$60,001 to \$65,000.99	52%
\$65,001 to \$70,000.99	51%
\$70,001 or more	50%

The maximum monthly benefit payable shall not exceed four thousand dollars (\$4,000). The Long Term Disability benefit payable shall be paid monthly, in arrears, and shall be determined by dividing the annual benefit payable by twelve (12).

The amount determined above shall be reduced by any amounts the member may be entitled to from the sources set out as follows:

- 2.07.01 Benefits to which the member is entitled as a result of their disability from the Canada Pension Plan and/or Quebec Pension Plan, except those Canada Pension Plan and/or Quebec Pension Plan disability benefits payable on behalf of the member's dependents. Any cost of living increases to Canada Pension Plan and/or Quebec Pension Plan disability benefits after commencement of Long Term Disability benefits will not affect the amount of Long Term Disability benefit payable.

- 2.07.02 Any monthly income payable as a result of the member's disability from any plan including those plans for which the member has made contributions as a result of Provincial or Federal legislation.
- 2.07.03 Any other disability benefits payable to the member as a result of the Provincial or Federal legislation.
- 2.07.04 Any monies received from the Crimes Compensation Board but only if related to the disability for which benefits are claimed under this Plan.
- 2.07.05 Any monies received from self-employment income unless the employment was part of an approved rehabilitation program wherein the provisions of Articles 2.13 and 2.14 would apply.

## 2.08 Lump Sum Settlements

In the event that a member receives a lump sum payment for loss of income from any source not personally contracted for by the member, including a civil suit arising from the accident or illness giving rise to Long Term Disability benefits, the member shall have one of the following options:

- 2.08.01 The lump sum payment shall be actuarially equated by a qualified actuary appointed by the Plan Adjudicator to a monthly amount based on pro-rating the lump sum payment over the remaining service life of the member to normal retirement age, and such monthly amounts shall be deducted from the amount of the monthly Long Term Disability benefit payable under this Plan. In calculating the monthly amounts to which the lump sum payment is actuarially equated, the actuary will assume that, on January 1 of each year, such monthly amount will be increased by the lesser of the percentage increase in the Consumer Price Index for the Edmonton region during the twelve (12) month period ending on the previous November 30, or five (5) percent.

Where such monthly amounts exceed the monthly Long Term Disability benefit, the member, in accepting the lump sum payment, shall automatically release the City and the Association from any and all obligations to the member under this Plan.

- 2.08.02 The member may irrevocably assign the lump sum payment to the Long Term Disability Plan and the Plan shall then be obligated to continue Long Term Disability benefits to the member in accordance with the provisions of this Plan.

## 2.09 Coverage Under Other Benefit Plans While Disabled

During the initial twenty-four (24) month period, a member who is receiving Long Term Disability benefits will continue to participate in the City's Group Life Insurance Plan, Dental Plan, Supplementary Health Care Plan, Health Care Spending Account and Alberta Health Care Plan, in accordance with the terms and conditions of those Plans. Member and City contributions to such Plans will be paid by the Long Term Disability Plan except that, if the member qualifies for the waiver of premium benefit under the Group Life Insurance Plan, City contributions to the Group Life Insurance Plan will be paid by the Long Term Disability Plan.

- 2.10 If, after expiration of the initial twenty-four (24) month period the member continues to receive Long Term Disability benefits, coverage under the City's Alberta Health Care Plan, Health Care Spending Account, Supplementary Health Care Plan and Dental Plan shall continue if the member opts to continue coverage in accordance with the terms of the Plans in question and member and City

contributions to such plans shall be paid by the Long Term Disability Plan.

- 2.11 While in receipt of Long Term Disability benefits, a member shall continue to belong to applicable pension plans. Member and City contributions shall continue to be made to such plans based on the rate of pay prescribed under the applicable Government Pension Plan. Member and City contributions shall be paid by the Long Term Disability Plan.

## 2.12 Rehabilitative Employment and Training

During the initial twenty-four (24) month period following commencement of Long Term Disability benefits, members who are in receipt of Long Term Disability benefits and who, in the opinion of the Plan Adjudicator, will not be able to perform policing duties for the duration of the initial twenty-four (24) month period and thereafter may be required to engage in rehabilitative employment and/or training which is approved by the Plan Adjudicator.

## 11 GENERAL APPLICATION OF PLANS

The following provisions apply to the Income Protection Plan, the Long Term Disability Plan, the Accidental Death Plan, the Supplementary Health Care Plan and the Dental Plan, as contained in this Agreement:

### 11.01 Subrogation Rights

In consideration of coverage pursuant to the terms of the plans provided for in this Agreement, all members covered by the said plans do hereby on their behalf and on behalf of their dependents assign to the City, all rights of recovery against any person or persons (the "responsible party") whose action caused or contributed to an occurrence giving rise to the plans making payments to any such member or their dependents. To the extent that the payments made by the plans were caused by the conduct of the responsible party, the City shall be subrogated to any rights the member or the member's dependents may have against any such responsible party for any amounts paid pursuant to the said plans or for which the plans have assumed liability. This article shall apply even where the responsible party is the City or a person or persons for whom the City is vicariously liable.

11.01.01 If liability between the member or the member's dependent and the responsible party has been apportioned as between them (whether by judgment/order of the Court or by agreement as between the parties) or if causation has been attributed between the parties, the City's recovery of any amounts paid or to be paid under the said plans shall be reduced by the percentage of liability apportioned or causation attributed to the member or the member's dependent. The member or the member's dependent shall not enter into any agreement apportioning liability or attributing causation that will affect the City's claim without first obtaining the City's prior written consent. The City shall not unreasonably withhold that consent.

11.01.02 The City may exercise its Subrogation Rights by bringing an action for recovery in the name of the member or the member's dependent or both directly against any responsible party. Alternatively, the City may assign its Subrogation Rights to the member or the member's dependent in care of the solicitor representing such member or member's dependent and the member or member's dependents will advance a claim on behalf of the City in accordance this clause. Such assignment will be on the basis that the City shall not be obliged to pay, by way of legal fees and costs in connection with collecting monies paid to the member by the plans, an amount exceeding fifteen percent (15%) of the amount recovered on behalf of the City.

11.01.03 The City shall pay into the appropriate plan or plans any monies received as a result of exercising the aforesaid subrogation rights less legal fees and costs incurred and the member's status and/or entitlement within the affected Plan shall be restored to the extent of such monies returned to the Plan.

### 11.02 Limitations and Exclusions

11.02.01 Plans shall not make any payment on account of services rendered to the member or to a dependent of the member to which such person is entitled at no cost pursuant to law, or due to a government operated program, or for which there is no cost to the member or the member's dependent because of other insurance against such costs, which has not been personally contracted for by the member. In all other circumstances, co-ordination shall be done in accordance with Canadian Life and Health Insurance Association Guidelines, as appropriate. Notwithstanding the above, the City's plans will be considered the

---

  - 11.02.03.10 ♦ injury or illness for which the member is not continuously under the regular care and attendance of a physician legally licensed to practice in Canada.
  - 11.02.03.11 ♦ injury or illness for which the member is not fulfilling any treatment process prescribed by the Plan Adjudicator.
- 11.02.04 No Income Protection benefits or Long Term Disability benefits will be payable during the period a member is on leave of absence without pay, including maternity leave.
- 11.02.05 For the purposes of all City benefits plans (except pension plans) an eligible dependent is defined to be a person in one of the following categories:
- a) Spouse: Either -
    - i) legal spouse of the member or,
    - ii) common-law spouse who has co-habited with and been publicly represented as the member's spouse for a continuous one (1) year period or,
    - iii) A divorced spouse, who, as part of a divorce settlement, is dependent on the member for support. Evidence of the dependence of the divorced spouse will be required.
- Where a spouse has previously been claimed as a dependent under the plans, a subsequent spouse may be claimed only if the member provides evidence that the second spouse qualifies under either (i) or (ii) above. In such circumstances, the previously claimed spouse shall be deleted.
- Under no circumstances will a member be allowed to claim, as dependent, two (2) spouses at the same time.

  - iii) Unmarried children of any age who are incapable of self-sustaining employment by reason of mental or physical disability and who are chiefly dependent on the member for financial support, conditional upon:
    - ♦ medical evidence provided of the dependent child's incapacitation;
    - ♦ evidence the member claims the child as a dependent on their tax return, confirmed annually;
    - ♦ evidence the member's dependent child has applied for the Severely Handicapped (AISH) benefits.

Once the member has satisfied the conditions outlined above, coverage shall be extended under the City's group health and dental benefits. It is agreed that if the member's dependent child is approved for AISH benefits, all eligible benefit expenses will first be adjudicated for coverage under the AISH plan. Any remaining expenses may then be submitted for adjudication to the City's health and dental benefit plans.

A child of a common-law spouse who is not also the member's child may be claimed as a dependent only if:

- i) The common-law spouse satisfies the definition of dependent, and
- ii) Evidence is provided that the child is chiefly dependent on the member for support.

For pension purposes, the definition contained in the applicable pension plan will apply.

If the medical information provided is not satisfactory to the City or Plan Adjudicator to qualify for Income Protection Benefits or Long Term Disability, the City or Plan Adjudicator will provide the member with a final opportunity to provide satisfactory medical information from the member's physician. The City or Plan Adjudicator may cover reasonable costs associated in providing additional medical information. The member will have seven (7) calendar days to provide this information. (hereinafter called the "City")

Of The First Part

- and -

THE EDMONTON POLICE ASSOCIATION

of the City of Edmonton, in the Province of Alberta

(hereinafter called the "Association")

Of The Second Part

The following Addenda and Letters of Understanding to the 2021 Collective Agreement are grouped together for signing purposes only.

Letter #1

### 1. Article 11.07(b) - Dispute Resolution Process Timelines

The parties agree that the timelines referenced in Article 11.07(a) of the Dispute Resolution and Grievance Procedure, are amended as follows:

- ♦ A formal grievance shall be initiated within 40 days of the date that the employee of the Association first became aware of, or reasonably should have become aware of, the occurrence of the act giving rise to the grievance.

## 2. Association Business

It is agreed that the Police Service will approve 1,040 hours/year for leave with pay for a full time delegate to conduct Police Association business. The Service will report total hours used to the Association and communicate when the 1,040 hours limit has been reached.

### 3. Retention of Experienced Peace Officers

Both parties recognize the important benefits of and value in maintaining an experienced, highly skilled work force. The City is prepared to recognize the value of retaining experienced police officers that are prepared to commit to continued service beyond 25 years.

In order to assist with the retention of experienced police officers, the City is prepared to provide an additional three percent (3%) above the base pay for members who are in the ranks of 1st Class Constables - 5th year up to and including Staff Sergeants. The additional pay will only be applicable to those members of the Edmonton Police Association (EPA) in the above-noted ranks who have completed 25 years of City police officer service and are currently working in their 26th year or more. This additional pay will become effective on the date of the member's 25th anniversary.

This Letter of Understanding (LOU) shall become null and void effective on the expiry date of this collective agreement, unless the City of Edmonton and the Edmonton Police Association mutually agree to an extension.

Failing an agreement to extend the LOU, those members who become eligible between the date of ratification and the expiry date of this collective agreement to receive this additional pay of three percent (3%) will continue to receive this payment until the member either retires, resigns, is terminated or is promoted to a rank outside the scope of this collective agreement, but no other members will become eligible following the expiration of the LOU on the expiration date of this collective agreement.

The parties also agree that service pay for eligible officers shall stop after September 03, 2006. In the event this Letter of Understanding is not renewed, the parties agree that service pay would be reinstated for members who have completed twenty-five (25) or more years of City police service after the expiration date of the letter and who were not eligible for retention pay.

#### 4. Patrol Constable / Patrol Staff Sergeant Index

Both parties recognize the important benefits of maintaining an experienced, highly skilled work force. As an incentive for members to remain in patrol, effective August 26, 2012 (pay period 18) Constables and Staff Sergeants actively working in a Patrol assignment are eligible for three percent (3%) indexed rates as outlined in the Schedule of Wages attached to the original, signed LOU (Patrol ranks are shaded).

It is agreed that in order to be eligible for such indexed rates, members must have completed a minimum of five (5) years of policing service with the Edmonton Police Service. Movement/transfer out of Patrol shall immediately terminate eligibility for indexed rates.

This Letter of Understanding (LOU) shall become null and void upon the expiry date of this Collective Agreement, unless the City/Service and the Edmonton Police Association mutually agree to an extension.

Should the parties fail to reach an agreement to extend the LOU, or terminate the LOU with 30 days written notice, those members who are eligible for an indexed rate on the date the LOU is terminated will continue to receive the indexed rates until

- ♦ the non-indexed rate for the applicable rank is equal to or greater than the indexed rate, or
- ♦ the member takes a position outside of patrol.

In the event the LOU is terminated by either party, in writing, no other members will become eligible for the indexed rates following the termination date of the LOU.

## 5. Voluntary Flexible Work Arrangement

In an effort to respond to the changing needs of members and to support flexibility in the workplace, the parties commit to reviewing requests for flexible work options while balancing operational needs. It is agreed that members who require an accommodation of a protected characteristic under the *Alberta Human Rights Act* will be addressed outside of this Letter of Understanding.

## Addendum #1

# 1. Specialized Grievance and Arbitration Mechanisms Pursuant to the Duty to Accommodate Framework Agreement

### INTRODUCTION

The parties to this collective agreement are participants in the City of Edmonton - Civic Union Workplace Relationship Agreement, and the Duty to Accommodate Framework Agreement ("the Framework Agreement") entered into under the auspices of the Working Relationship Agreement.

In the Framework Agreement, the participants agree to establish specialized grievance and arbitration mechanisms to resolve disputes over the duty to accommodate, modifying, or in lieu of, the grievance and arbitration provisions in their collective agreements. The reasons and purposes for such specialized processes include recognition that:

- ♦ The duty to accommodate can involve obligations and remedies that transcend bargaining unit boundaries, and thus involve a need for dispute resolution where additional parties can participate so as to avoid multiple proceedings.
- ♦ The duty to accommodate is a process not just a result; that it is time sensitive; and that the rights and obligations can change over time; all of which can favour informal, expedited and specialized processes.
- ♦ While statutory human rights procedures exist, collective agreement arbitration provides a parallel procedure which, if suitably adapted, offers a more flexible and timely way of resolving accommodation issues for the civic workforce; and
- ♦ Although expedited procedures will normally be the chosen option for resolving such disputes, parties may at times choose instead to follow their more formal arbitration procedures, which they should remain free to pursue, subject to modifications for individual and affected union participation and a pre-arbitration mediation process.

Therefore:

The parties to the collective agreement agree to use the following alternative grievance and arbitration procedure for cases falling within the scope of this letter of understanding.

### 1. SCOPE

1.01 This procedure applies to grievances concerning the duty to accommodate employees on the basis of physical or mental disability.

1.02 This procedure does not apply to:

1.02.01 Cases where employees seek accommodation as a result of an addiction said to be a physical or mental disability, or

1.02.02 Cases where employees raise accommodation issues only after being terminated by the City of Edmonton.

### 2. INITIATING A GRIEVANCE

2.01 Grievances may be initiated during the course of an accommodation process to obtain a decision on a particular decision point in that process even though other steps remain to be taken.

2.02 A grievance may concern:

2.02.01 Whether an employee seeking accommodation has a mental or physical disability that gives rise to a need for accommodation

2021-2023 Edmonton Police Association Collective Agreement  
Addenda

- 2.02.02 What, if any, restrictions or requirements arise from the employee's disability.
- 2.02.03 A decision by the City of Edmonton not to accept a measure that might be undertaken to accommodate the employee's needs in their existing job or some other job (whether modified or not), whether based on undue hardship or any other reason.
- 2.02.04 A decision by an Employee or the Union to decline to accept as a reasonable or suitable accommodation, a measure proposed by the City of Edmonton.
- 2.02.05 The failure or refusal by any Union or Association to give any necessary consent to any aspect of a proposed measure that might be undertaken to accommodate an employee's needs, whether that failure or refusal is based on conflicting collective agreement provisions, undue hardship, or otherwise.
- 2.02.06 The assignment of an employee to a position within a different bargaining unit or any terms and conditions attached to that assignment; or
- 2.02.07 Whether any trial period for an accommodation measure has succeeded.
- 2.03 In these procedures, "parties" mean the parties to this collective agreement and any other affected Union or Unions. It does not include an individual with a right to be represented or heard separately during any arbitration procedure.
- 2.04 Prior to filing a grievance under Article 2.2 of this letter the party will follow the provisions for precipitating a decision on a decision point in the Framework Agreement and shall first advise all affected parties of their wish for a decision on the issue.
- 2.05 On receipt of a request for a decision, the City's Disability Management Consultant, the Union or Unions involved, and such other persons whose presence may be necessary or appropriate to the decision, will meet for a full and frank discussion in an attempt to reach agreement on the question.
- 2.06 If the initial request or, following discussion, the agreed upon issue, is a question of the employee's disability, capacity, or the requirement of any job or proposed job, the parties will initiate the process of obtaining an independent report on the issue in accordance with the procedures in the Framework Agreement. Any professional opinion or factual report obtained as a result of those processes shall be accepted as prima facie proof in any subsequent arbitration proceedings.
- 2.07 The party requesting a decision and the party whose decision is sought may agree in writing to continue to assess the matter in an agreed upon manner.
- 2.08 Following the meeting referred to In Article 2.4, and unless Articles 2.5 and 2.6 (all in this Letter) apply, the party required to make a decision will provide that decision in writing within fifteen (15) working days of the initial request.
- 2.09 If a decision on a decision point is agreed to, it will be implemented forthwith, according to the terms. If no grievance disputing the decision is initiated within fifteen (15) working days following the decision, it will be treated as agreed upon and any proposed action may be implemented unilaterally. A grievance over any decision described in Article 2.2 of this Letter may be filed by the parties to this collective agreement or by another Union affected by the decision. The dispute shall be submitted in writing to the roster Coordinator, with a copy of the dispute provided to the Director of Labour Relations,

Employee Relations Branch.

### 3. SEPARATE REPRESENTATION

- 3.01 Where an individual is directly affected by the subject matter of a decision, and their interests may conflict with the position being advanced by their bargaining agent, they may be separately represented in any arbitration process. The form of that separate representation shall be determined by their bargaining agent. Separately represented employees shall not have the authority to advance a matter to arbitration or to insist on formal rather than expedited arbitration.

### 4. EXPEDITED ARBITRATION

- 4.01 All grievances will be heard initially by a member of the expedited arbitration roster. Unless the parties agree to a particular member of the roster, the roster coordinator will assign a member to hear the grievance.
- 4.02 The roster member assigned to hear the grievance will convene a meeting of the parties and any individual entitled to separate representation. The purpose of that meeting will be to:
- 4.02.01 Ensure the issues in dispute are defined;
  - 4.02.02 Determine whether the parties agree to expedited arbitration or wish to have all or part of the issue resolved by a formal process;
  - 4.02.03 If the parties accept expedited arbitration, to set a time, date and place for an expedited arbitration hearing with that roster member;
  - 4.02.04 If a party selects formal arbitration, set a time, place and date for a "without prejudice" pre-arbitration mediation with the roster member or any other agreed upon mediator;
  - 4.02.05 Discuss any other matter that, in the opinion of the roster member, is appropriate;
  - 4.02.06 Unless formal arbitration has been selected, grant interim orders where there are substantial reasons for doing so and where the order can be made in a manner that accords with the Framework Agreement;
  - 4.02.07 Where the parties agree, do anything at the first meeting that might be done at the expedited arbitration or mediation stages.
- 4.03 Every attempt will be made to hold the meeting referred to in Article 4.3 of this Letter within ten (10) working days of the date the grievance is received by the roster Coordinator, and may be in person or, with the consent of the affected parties, by teleconference. A failure to hold the meeting within ten (10) working days will not constitute loss of jurisdiction.
- 4.04 The roster member will provide participants with minutes of the first meeting, including any agreements reached, along with directions for a mediation meeting or an expedited arbitration hearing.

### 5. EXPEDITED ARBITRATION

- 5.01 The Roster member shall hear the grievance informally and expeditiously, providing the parties and any separately represented member the opportunity to adduce evidence and be heard, following which the member will issue a summary award on the grievance. The award will be provided in writing.
- 5.02 The parties will implement the award forthwith, according to its terms.
- 5.03 Awards under the expedited process will be confined to the issue raised in the grievance on the particular decision point. Any further issues that arise in respect

to the duty to accommodate that same individual will be dealt with through a continuation or resumption of the Framework Agreement processes and if needed, by a further grievance on any subsequent decision point, rather than through the expedited arbitrator remaining seized with the matter.

## 6. GRIEVANCE MEDIATION

- 6.01 Where the parties have selected formal arbitration, the arbitration board will be appointed and scheduling commenced as outlined in Article 14-Dispute Resolution Process, clause 14.06-Arbitration Stage, points 4 through 17, following the first meeting referred to in Article 4.3 of this Letter. At the same time, the parties and any separately represented employee will participate in a "without prejudice" mediation meeting with the Roster member or another agreed upon mediator.
- 6.02 Participants in the mediation will each be represented by a person or persons familiar with the matter who will make good faith efforts to resolve the matter and who have decision-making authority.
- 6.03 Settlements reached through informal mediation shall, where they resolve the full issue, be incorporated into a consent award of the Roster member as an arbitrator, or where they resolve some issues only, be incorporated into an agreed statement of facts or position to be placed by consent before the formal arbitrator or arbitration panel.
- 6.04 Other than the documents referred to in Article 6.3 of this Letter, the discussions during informal mediation shall be privileged and shall not be referred to in any subsequent arbitration or other proceeding.
- 6.05 The cost of the roster Coordinator's administrative duties shall be paid by the City of Edmonton. The cost of the mediation or expedited arbitration duties of the panel members will be shared jointly between the City of Edmonton and the Union or Unions involved in individual cases. Where there is more than one Union involved in a particular case, the Union's half of the costs shall be divided equally between them unless the mediator or expedited arbitrator orders some different appointment.

## 7. FORMAL ARBITRATION

- 7.01 Where a party insists on formal arbitration, that arbitration will be established and conducted in accordance with the arbitration procedure in this collective agreement, modified as necessary to comport with the Framework Agreement.
- 7.02 Where, in addition to the Union under this collective agreement, there is another affected Union in respect of the dispute, the following provisions will apply.
  - 7.02.01 The decision of the arbitration board will be final and binding on all parties;
  - 7.02.02 Except to the extent this agreement provides for, or other parties agree upon, a single arbitrator, the Unions will attempt to agree upon a single nominee, failing which a Union nominee will be selected by the Roster member assigned to conduct the informal mediation.
  - 7.02.03 The costs of any nominee, and of the Chair, will be shared by the Unions equally, unless the arbitrator or arbitration board awards some different apportionment.
- 7.03 In addition to any other powers provided by law or by the Collective Agreement, the arbitrator or arbitration board may, on the request of any affected party, by interim order, direct what ought to be done, or not be done, pending the arbitration hearing or ruling. Interim orders shall only be granted where there are substantial reasons for doing so, and shall be made in a manner that best accords with the provisions of the Framework Agreement.

- 7.04 Arbitrators shall be selected from the following list of arbitrators, either by agreement, or on the basis of the rotation provided for in the Framework Agreement.
- Andrew C. L. Sims, Q.C.
  - Deborah Howes
  - Lyle Kanee
  - Thomas Jolliffe
- 7.05 Where an arbitrator or arbitration board, appointed under this collective agreement, finds that the matter or any part of the matter arising in that arbitration properly falls within the scope of this Addendum, the arbitrator or arbitration board may direct the parties to pursue the matter in accordance with the provisions of this Addendum.
- 7.06 The arbitrator or arbitration board may make any directions as to timeliness or other procedural issue that appears just in all the circumstances. An application under this clause may be made by any party affected by the issue in question whether or not that party is a party signatory to the collective agreement. No such application may be made by an individual employee.

## 8. DURATION AND TERMINATION

- 8.01 This Addendum shall continue in force beyond the expiry date of the Collective Agreement, and shall be renewed with each successor agreement if both parties mutually agree.
- 8.02 In the event a party to the Duty to Accommodate Framework Agreement withdraws from participation in the Agreement, this Addendum shall cease to be in force on the date the notice period expires. Grievances currently in progress shall continue to utilize the process outlined in this Addendum until the decision of the roster member is received.
